

# Bike racks & Bali Bikers – Be v aware!

## Advice from expats involved in serious & **fatal** accidents:

- Bikers do not allow room for anything wider than a car.
- Road accident numbers are among worst in the world
- It is not a case of 'if' but 'when' you will be involved.
- You will still pay the police & the injured biker / dead biker's family even if you are not legally at fault.
- Remove 1 wheel, re-centre the rack & cut the chance of a crash by 90% (or better still, put bikes in the car)
